

Your Guide to Consigning at the RI Kid's Consignment Sale

1. Register to be a consignor on our website. It's a very easy system. You will receive a consignor number that will identify you.
2. Read the Consignor Agreement. This is your legal agreement with us. It allows us to sell your items. Please bring a signed copy to your drop off time.
3. Gather your items and prepare them according to the guidelines.
4. Enter your items into the consignment software online.
5. Sign up for a drop off time.
6. Sign up for volunteer times. Remember, you can volunteer for up to 3-3 hour shifts, each one earning you an extra 5%, up to 75%!
7. Print out and pass out to your friends the consignor mini-flyers. Put your name and consignor number on them and tell your friends and family to bring them with them when they shop! Each one turned in at check out gives you a chance to win 100% of your sales.
8. Watch our Facebook fan page for contests and updates!
9. Drop off your items during your scheduled drop off time.
10. Sit back and watch your sales grow. We update the system nightly with your totals so that you are able to see each night what your sales are!
11. If you are not donating your leftover items to charity, be sure to pick them up during the scheduled pick up time.
12. Relax and wait for your check to arrive 2 weeks after the end of the sale!

It's easy!
